

Join Project HOME, Vote For Homes Coalition, & Meg Saligman Studios for

"STORIES FROM THE MARGINS"

Come learn from persons who have experienced homelessness and poverty and who will share their stories of struggle and of transformation during the Democratic National Convention. Together, we will reflect on their stories and how our national leaders need to work for effective solutions so that all Americans have real economic opportunity.

The event is free and open to all! RSVP at www.projecthome.org/election.

Rodney Atienza, 1996

Tuesday, July 26
2:00 – 3:30 PM

Free Library of Philadelphia
Parkway Central Branch
