In 2017, each of you has played a part in bringing us closer to ending chronic street homelessness in Philadelphia. We are proud to celebrate our work together in this, our Annual Report for Fiscal Year 2017. Your support, participation, and leadership have strengthened the Project HOME community, and have helped so many women, men, young adults and children find hope, home, and opportunities.

### Housing (H)

- **2,000** unduplicated individuals housed at Project HOME
- **195** new jobs this year

Our Goal:

- **1,000** completed HOMES
- **802** completed homes
- **72** in development or pre-development
- **170** in the pipeline

### Opportunities (O)

- Job placement **TRIPLED** since 2011

Resident Income is up by **20%** since 2011

- **$3K** in one year when engaged in our Employment Services program

Project HOME residents see an average income increase of more than **928%** since 2011

### Medical Care (M)

Our Healthcare Services Department consists of a Federally Qualified Health Center offering primary care, behavioral health, dental, pharmacy and is a Center of Excellence for opioid-related substance use disorder treatment. The Stephen Klein Wellness Center is our flagship location; we also expanded hours at our Pathways to Housing PA location in 2017 and continue to provide mobile services in order to meet our most vulnerable patients where they are at. We will be expanding into two new locations in Kensington and Center City in 2018.

Healthcare Visits

<table>
<thead>
<tr>
<th>Year</th>
<th>Number of Visits</th>
</tr>
</thead>
<tbody>
<tr>
<td>2011</td>
<td>1,200</td>
</tr>
<tr>
<td>2017</td>
<td>17,800</td>
</tr>
</tbody>
</table>

- **1,383%** increase in healthcare visits
- **928%** increase in unduplicated individual patients served

Pharmacy opened in June 2016

- 1,944 patients served
- 11,237 prescriptions filled

### Education (E)

In Fiscal Year 2017

Each year the Honickman Learning Center and Comcast Technology Labs helps students in grades K-12 stay on track to graduate from high school, supports college students as they pursue their degrees, and equips residents and community members with the tools they need to complete their GED, build technology skills, and prepare for jobs.

#### Adult Learning and Workforce Development

- **875** unduplicated adults utilized services
- **113** earned professional certifications
- **67** participants received undergraduate support

#### College Access Program

- **68** doubled summer teen employment & internship placements from 2012 to 2017
- **44** students currently supported in college
- **33** students with improved reading skills
- **90%**

#### After-School (K-8)

- **44** students with improved math skills
- **90%**
- **95%** students reached technology proficiency

### Advocacy (AD)

- 9,184 messages sent to elected officials
- 78 Speakers Bureau Event Attendees

### Innovative Partnerships

HUB OF HOPE OPENING JANUARY 2018

Through a partnership with SEPTA, the City of Philadelphia, and Project HOME, the Hub of Hope will expand into a permanent location in the Suburban Station concourse to offer year-round services.
